POSTAL OFFICIALS RUN

DOWN THE FRAUDS.

All Guddsing Contests Will Be Eliminated From the United States Malls-Opinion by the Attorney General Determines the Status of Questionable Mail Matter.

Postmaster General Wynne, the pres dent directed the attorney general to submitted to him an opinion as to the status, under the law restricting the operation of lottery enterprises through the mulls, of guessing con-

That opinion is of a most sweeping character, and while the postmaster general has no inclination to work a hardship upon anybody, he will put the attorney general's judgment into effect as soon as may be practicable. The attorney general says the schemes are in effect lotteries under the guise of guessing contests. He has given out the following official statement

but the following official statement:
For a number of years the postorfice department had admitted to the
mults advertisements and other matter concerning so-called "grassing" or
"eatimating" confests. The question
of whether or not these solvends are
lotterias has been several times presented that the attorney general, who
beld that they were not lotteries.

Main street. P. O. Box 104.

New York court of appeals rendered opinions, the postmaster general feit warranted in again submitting the warranted in again submitting the question to the attorney general. Fellowing the opinions in these cases the attorney general holds that the schemes are lotteries.

It is, therefore, incumbent upon the

postoffice department to enforce the law under which the postmaster gen-eral is authorized, upon evidence satis authory to him that any person or company is engaged in conducting a lottery or other scheme for the dis-ribution of money on chance, to is-sue an order that all mail addressed to such person or company be return-ed stamped "Fraudulent."

As a number of legitimate enter-prises have adopted these estimating prises have adopted these estimating or guessing contests as a means of advertising and in view of the admission to the mails of matter pertaining to these contests within the last few years, the elimination of these schemes from the mails cannot be made immediately absolute. If these schemes from the mails cannot the made immediately absolute. If such a scheme has ever been entered upon in good fairth the department will not be the assessment of the construction of the such as order that will seriously injure a legitlemate business ously injure a legitlemate business of the case will be handled separately. Each case will be handled separately the construction of the state will be considered to the case will be handled separately. The construction of the state will be considered to the case will be handled to the construction of the c plan ruled against by the attorney general will hereafter be allowed to
